To our Valued Clients, New Potential Clients and Supply Partners

Our **IMC Edmonton and Atlanta locations are open!**

International Mascot Corporation is closely monitoring the developments related to the Covid -19 pandemic our office locations in Edmonton, AB and Atlanta, GA. We take this this situation very seriously and are taking efforts to flatten the infection curve and minimize the impact on our healthcare systems.

If you currently have a project scheduled with us we are producing costumes for our clients, have large inventories of raw materials and our supply chain for goods and services is intact. Now is an excellent time to have your costume cleaned and refurbished so it is ready to go when costume performance opportunities become available!

If you are looking to develop a costume our representatives, illustrators and costume designers are available to assist you. For assistance please contact your IMC representative at 1-800-834-8588 or email us at [imccustomerservcie@internationalmascot.com](mailto:imccustomerservcie@internationalmascot.com).

We will pull through this together! It is our hope you and your families remain safe and healthy.

Respectfully
